The mission of MGMA of Mississippi is to improve the effectiveness of medical group practices and the knowledge and skills of their managers and physician leaders.

Welcome...

to MGMA of Mississippi

To manage, as defined by Webster's Dictionary, is "to exercise executive, administrative, and supervisory direction; to direct or carry on business." In today's dynamic healthcare environment, managing a productive medical practice is a complex task. A medical practice manager is unique in that a manager's duties often involve many areas of responsibility such as accounting, personnel, billing & collections, facility management, purchasing, and acting as the physician liaison, marketing director, and resident managed care expert. Who can help you successfully face these challenges...?

Medical Group Management Association of MS www.mgmams.com

313 Telly Road #68
Picayune, MS 39466
Phone (601) 569-6659
Fax (877) 365-6462
Email: info@mgmams.com

Benefits of membership that contribute to the success of your medical practice...

- **Education** - offered through annual conferences, insurance forum, webinars, quarterly newsletters and email communications.
- **Networking** - Interact with other medical practice managers in our state who face similar responsibilities and challenges.
- **Job Board** - Review available positions across Mississippi. Members can post their open positions to the job board at no cost.
- **Legislative News and Information** - MGMA of Mississippi keeps you informed about important legislative issues which may impact your medical practice.

Please note:

Membership in National MGMA is separate and provides different member benefits than MGMA of Mississippi. For information on National MGMA please visit their website at www.mgma.com.

Membership Designations

Active Member: An individual directly employed full time by a medical practice with at least one full time licensed Medical Doctor organized for health care delivery; or an individual directly employed full time by a management organization, hospital system, practice management firm or other business entity which provides administrative and related support services to one or more medical practices of at least one full time licensed Medical Doctor formally organized for health care delivery.

Allied Member: Allied member is an individual that works for an organization which provide products and services directly to health care delivery organizations, or any individual who does not meet the requirements for active membership, but who subscribes to the purposes and activities of the Association.

Corporate Sponsor: A Corporate Sponsor is an organization or company which provides products and services directly to health care delivery organizations. Special recognition of corporate sponsors will be provided at MGMA of Mississippi conferences and on MGMA of Mississippi's website. There are four levels of corporate sponsors. Please visit our website or call our office for details on our Corporate Sponsorship opportunities.
